

Nicholas Kontaxis

Artist | Rancho Mirage, California

30 UNDER 30 | North America 2023 | Art & Style

Creating and designing the future of fashion and the arts

Born neurodiverse and with a brain tumor that has resulted in thousands of seizures, Kontaxis largely communicates through painting. His large-scale, abstract works have resulted in sell-out shows from Los Angeles to London and can be found in the collections of Adele, Roger Federer, and Adidas.
